President's Message

Dear Members,

It is truly an honor to have been elected President of the Foundation for 2008. The job of filling Gary Stephens shoes will be no easy task. Under his guidance and leadership as our President, we were able to increase both the number of scholarships we are able to provide law enforcement officers and the amount of money we are able to award under our equipment grant program. Additionally, in 2007 we held several special events such as guided tours of the medical examiner's office and the joint law enforcement training academy. These events reinvigorated many members, and brought in new members committed to supporting law enforcement. I hope you will all join me in thanking Gary for doing such a wonderful job as our President over the past several years.

2008 should build on the great year the Foundation had in 2007. We'll have more special events for those of you interested in getting an insider's look at law enforcement operations. For example, Bob Davenport and Mary Walsh have arranged for our members to take a guided tour of the central downtown jail on April 10, 2008, complete with dinner in the officer's mess. I hope that many of you will have a chance to join us in this and the other special events we'll have throughout the year.

In addition to special events, our Fall Auction and Dinner Event will be held November 8, 2008 at the Four Points Sheraton. For those of you who attended last year, you know what a great night we had at last year's event. By popular demand, we are bringing Rockola back for an encore performance. The Fall Event is our primary fundraiser, and we can always use help identifying auction donor, table sponsors and volunteers. If any of you are able to help, I encourage you to contact a Board member and help us make the 2008 Event another success story.

In conclusion, I look forward to continuing my support of law enforcement through my new position as the Foundation's President. I hope that we can all build on the successes the Foundation accomplished through the exceptional work of past-presidents Gary Stephens and Cal Turley with the help of our accomplished and dedicated group of Directors. Thank you all for your generous support of the Foundation.

Best regards,

Jack Leer

President
San Diego County Law Enforcement Foundation.

Past President Gary Stephens

I would like to thank the SDCLEF Board, our General Members and all of our generous event Underwriters and Donors for the support given to me and the SDCLEF over the past two years! My term as President was a very rewarding and fulfilling experience. I'm proud to say that during my term the SDCLEF issued the largest number of scholarships and the most dollar amount for equipment grants, of any two year period, in our seventeen year history. This success was due to the support and hard work of our Board Members, the annual dues and donations from General Members, our Business and Individual Event Donors and by our Event Underwriters. Without you we would have not enjoyed such a successful period in our endeavors to support local law enforcement in our communities.

Our former Vice President, Jack Leer, has taken over as President and my hopes are that you will give him the same support you gave me. Jack will continue working hard, as he did while VP, for the Foundation and we are looking forward to the next two years being even more successful.

Again I want express my deepest thanks to everyone for your support and if I don't see you at one of our summer events I hope to see you at our Fall Event on 11-8-2008.

Sincerely, Gary Stephens

Congrats to Patrick Hall of the Escondido PD!

A special congratulations to Patrick M. Hall of the Escondido Police Department for being selected as the recipient of the "Academic Achiever Award" for the 73rd Regional Training Academy. At the Graduation Ceremony, SDCLEF Board Member Cal Turley presented Patrick with a plaque and a \$100 certificate for equipment. Also pictured is Escondido Chief of Police, Jim Maher.

Badge Issue Update

We are close to resolving the badge issue that was brought to our attention around July of 2007. Cal Turley has been given authority, by the Board, to obtain pricing and develop a brass band that will be attached at the bottom of our badge stating "Not a Peace Officer". We believe this will meet the requirements addressed in the State Attorney General's 2007 opinion regarding the issuance of badges. We hope to have samples ready for final Board approval at our next meeting on 4-21-2008.

The New I.D. Cards Are Here!

Our newly designed ID cards are ready and waiting for you! To obtain your new card please contact our new Vice President, Mike Turley @ 619-579-8673. Mike will set an appointment for you to come in and have your picture taken or instruct you how to send your photo via e-mail in .JPG format. We will be issuing new ID cards each year so it is important that you get your photo into our database.

Dear Mr. Stephens,

On behalf of the Board of Supervisors, the Sheriff's Department and the citizens of San Diego County, I would like to thank you for the grant in the amount of \$10,020.00. It is reassuring to know how supportive the SDCLEF has been through the years.

In these times of budget constraints and limited resources, your grant award for the Nonius fire suits and the Personal Alert Safety System will not only help protect staff, but will also help assist and protect the citizens of San Diego County.

Thank you.

Sincerely,

WILLIAM B. KOLESIDER, SHERIFF

Re: SDCLEF Grants 2007

Dear Mr. Stephens:

In response to your letter dated July 25, 2007, we appreciate the Foundation's generosity and continuing support of local law enforcement. We will take the steps as indicated in your letter regarding the grant and grant items. Our management analyst will submit the requests for funding of the 2 items (SRT LadderShield and UltraStyle LRS Speed Detection Laser) to Treasurer Mike Turley.

Again, thank you and the San Diego County Law Enforcement Foundation for your support.

If you should have any questions please do not hesitate to contact my office at (619) 575-3351.

Harbor Police Awarded Grant for Lifesaving Equipment Grant funded through the San Diego County Law Enforcement Foundation

February 21, 2008 – The San Diego County Law Enforcement Foundation, a non-profit corporation that provides financial support to county-wide law enforcement agencies, has awarded the Harbor Police a grant for lifesaving equipment.

The Harbor Police will use the nearly \$2,600 grant to purchase lifesaving equipment for the department. Equipment will include a small, portable emergency tool that will allow officers to rescue someone who may be trapped in a car. The tool contains a device that can break any kind of glass and a blade to cut through seatbelts. In addition, special breathing tubes used to maintain an open airway during mouth-to-mouth resuscitation will be purchased.

This is the fourth year that the Harbor Police has received a grant from the San Diego County Law Enforcement Foundation. Past grants have been used to purchase Automatic External Defibrillators, which are used to administer an electric shock to someone going into cardiac arrest, emergency breathing equipment for police divers and single-man life boats that can fit behind a diver's back before being inflated.

The San Diego Harbor Police is the law enforcement arm of the Port of San Diego. The department is made up of 146 sworn officers and 27 civilian personnel who provide law enforcement, marine fire-fighting services, airport services, public safety and Homeland Security throughout the tidelands and San Diego Bay. Harbor Police Officers patrol San Diego International Airport under contract with the San Diego County Regional Airport Authority. The department works closely with federal, state and local law enforcement agencies and terrorism task forces to develop solutions to a variety of Port security issues.

San Diego County Law Enforcement Foundation
C/O Gary Stephens, President
Chairman Grant Committee
Post Office Box 81087
San Diego, CA 92138-1087

Dear Mr. Stephens and SDCLEF Members:

On behalf of the San Diego and the Police Departments, I wish to express my gratitude for the \$4,988 grants awarded to us by the San Diego County Law Enforcement Foundation.

The Reflector Vests that will be purchased with these funds will greatly increase the safety of our Police Officers as they perform their duties. The Nylon Canisters for our Air Support Unit will be an important tool in preventing and solving crimes by gathering evidence, recording activities, and preparing for and responding to disasters and other incidents. These resources will have a positive impact the safety and security of all San Diegans.

The positive support of citizens and groups such as the San Diego County Law Enforcement Foundation is an inspiration to our law enforcement community. I know that I speak for all of our personnel when I say that your concern and advocacy help to make law enforcement the rewarding profession that it is.

Thank you once again for selecting us to receive these vital resources. May the Foundation prosper and endure.

Sincerely,

William M. Lindstrom
Chief of Police
